FIS Freeski & Snowboard Slopestyle and Snowboard Halfpipe World Cups

16/01/2026

# Broadcast: Worldwide reach

Through the agreements with Infront, the 2025/2026 FIS Park & Pipe World Cup events will be distributed worldwide (excluding the Swiss territory) across all major international TV networks, digital platforms, and media operators. Coverage will include live broadcasts, delayed transmissions, streaming services, highlights, and news reports.

Extensive global exposure is guaranteed, ensuring that fans across the world can follow the action. In addition, high-quality footage and images from the events will be made available to rights-holding broadcasters and media partners, further enhancing visibility and promotional opportunities for sponsors, athletes, and the sport itself.

# Extended Media Coverage & Digital Distribution

In addition to the regular coverage, our distribution and offer is further implemented as follows:

## ➤ Digital Content & Clips

tailor-made digital content is available through Infront upon request. Media partners can access and utilize these ready-to-publish video clips and highlight packages across their own platforms and social media, ensuring increased visibility and engagement.

## ➤ Scoopa for Sport Analysis

Infront supports the FIS Ski and Snowboard Community through its dedicated digital platform Scoopa, offering free access to video recordings from all World Cup events. This service is exclusively available to the National Teams participating in the FIS World Cup circuit and is designed for detailed performance analysis and coaching support.

## ➤ Live Streaming

To ensure full accessibility, FIS offers live streaming coverage in:

Dark markets (territories without any broadcasting agreements)

Countries where local broadcasters opt not to show specific events

Fans can follow the action live via:

FIS TV (<https://watch.fis-ski.com>)

FIS YouTube Channel (<https://www.youtube.com/@fissnowboard> & <https://www.youtube.com/@FISFreestyle>)

# Extended Media Coverage & Digital Distribution

## ➤ FIS Content Exchange Platform (CXP)

enables broadcasters, National Ski Associations, athletes and partners to access and share rights-cleared video, photo, and digital content. In line with the FIS CXP Competition Footage Policies, National Ski Associations are allowed to use up to 60 seconds of their athletes and athletes up to 45 seconds of own footage from competitions on their official platforms (with an embargo of 1h). Further athletes-led content will be provided by FIS. In case of any questions please contact [digitalplatforms@fis-ski.com](mailto:digitalplatforms@fis-ski.com).

## ➤ Social Media Activation

FIS maintains a strong presence across all major social platforms, with:

- Real-time updates and results
- Athlete highlights and interviews
- Engaging short-form videos and behind-the-scenes content

Stay tuned and follow us on:

- FIS App (<https://fis-app.com>)
- FIS TV (<https://watch.fis-ski.com>) and FIS Website (<https://www.fis-ski.com>)
- YouTube (<https://www.youtube.com/@fissnowboard> & <https://www.youtube.com/@FISFreestyle>)
- Instagram (<https://www.instagram.com/fisparkandpipe>)
- Facebook (<https://www.facebook.com/fissnowboard/> & <https://www.facebook.com/fisfreestyle/>)
- TikTok (<https://www.tiktok.com/@fisparkandpipe>)
- X (<https://x.com/fissnowboard> & <https://x.com/fisfreestyle>)
- Whatsapp (<https://whatsapp.com/channel/0029VarIzwQJuyADGYQwap1U> & <https://whatsapp.com/channel/0029VarIzwQJuyADGYQwap1U>)

This guarantees a global reach and allows fans everywhere to stay connected with the sport in real time.
